

## Financial Statements | Budgeting Projections | Cash Flow

Join us for the Miami Bayside Foundation (MBF) Financial Training! Participants that attend both financial workshops will gain an in-depth understanding of financial statements, budgeting, projections, and cash flow.

### **Day # 1: Financial Statements, Budgeting, & Projections**

- Learn to understand, analyze, and interpret financial statements to make timely, educated decisions about your business. Create projections that allow for planning the growth of your business.
- 

### **Day # 2: Manage Your Cash Flow**

- Understand the difference between profitability and cash flow. Managing the timing of when money enters and exits the company is crucial to business' survival and growth. Understand how to manage your growth and know how to properly finance.

### **Financial Statements, Budgeting & Projections**

Saturday, May 15, 2021

10:00 AM - 3:00 PM

### **Manage Your Cash Flow**

Sunday, May 16, 2021

10:00 AM - 3:00 PM
